Joseph E. Meyer & Associates is pleased to bring the Park Plaza development to the City of Edwardsville. This project is the revitalization of the intersection of Illinois Highways 143, 157 & 159 in downtown Edwardsville, and surrounds the block containing the Edwardsville City Park and Public Library.

The redeveloped area is the cultural and entertainment center of the community, and the area's beauty and prominence are both reflected and enhanced by this latest project. We invite you to see first hand this impressive development. Contact Joseph E. Meyer and Associates at 618-656-1824 or visit our website www.josephemeyer.com.
